Categories and Classes for Aggregate and Individual Match Awards

Separate rifle categories will be established for Service or Match Rifles; if there less than 5 entries in a category, then both rifle categories will be combined into one. F-Class will be listed separately.

Competitors may be further grouped by sub-categories; i.e., service, civilian, police, etc, as defined by NRA rules, at the discretion of Match Officials. If there are less than 5 competitors in a specific category, then that category will be combined with another category until there are at least 5 competitors in the combined category.

All other classes: There must be 5 to 10 entries in a class for one award, 11 to 15 for two awards, and 16 or more for three awards

If there are fewer than five (5) shooters in a specific class, then these competitors will be combined with those of the next higher class. Should there be less than 5 Masters entered then this rule will not apply and they will have their own class.

Special Awards Categories: A High Shooter Award may be given, at the discretion of the Match Director for the Grand Senior, Senior, Junior and Women Categories; provided there are 5 or more competitors in the category and is in addition to any other awards earned.
